Castors

Standard durable castors for most general floor surfaces.

Soft castors are available for laminate flooring and other surfaces that are likely to mark easily.

Fabrics

1. Vacuum regularly to remove dirt and grit.
2. Treat stains quickly. Use a damp cloth while they're still fresh.
3. Use a professional deep cleaning service on an annual basis

Treatments

To treat the stains use Step A. Apply small quantities of liquid and blot well with clean tissues after each application. Work carefully to release stain from edge to centre. Allow to dry. If unsuccessful try Step B and then later Step C.

1. White Spirit, Turps, or substitute
2. 1,1,1 Trichloroethane (Dry cleaning fluid)
3. Upholstery Detergent or Shampoo at manufacturer's recommended dilution
4. Acetone, nail polish remover - non oily
5. Cold water
6. Surgical spirit (alcohol)
7. Borax 2% solution, dissolve 1 teaspoon in warm water, top up cup with cold
8. Salt 2% solution, 1 level teaspoon in cup of tepid water
9. Use 3 as above + drop of spirit vinegar
10. Biological detergent 1% solution (1 level tsp in cup of warm water)
11. Use 6 as above diluted 1:5 water
12. Disinfectant, dilute as recommended on bottle, or 1 tsp in 2 pints water
13. Use 7 as above + drop of spirit vinegar
14. Chill with ice cubes in plastic bag
15. Hot iron over layers of white tissue
16. Consult a professional cleaner
17. Vacuum thoroughly

Warning

Only trained personnel may replace or repair seat height adjustment components with energy accumulators.
